

Forecast For Southwest England
Issued by Met Office Exeter
at 1600 on Tuesday 28 Sep 2021

++ Valid for broadcast between 1800 and 0600

Headline:

Dry with long clear spells. Blustery on the coast.

This Evening and Tonight:

Rain clearing to the east through the night, leaving it dry for most, with clear spells but the odd shower lingering into the morning. Winds blustery, particularly along the coast. Minimum temperature 9 deg C (48 deg F).

Wednesday:

A dry day for most, with any lingering showers from overnight clearing by midday. Long sunny spells for majority of the day. Overnight winds easing through the day. Maximum temperature 15 deg C (59 deg F).

Outlook for Thursday to Saturday:

Unsettled, with strong winds and outbreaks of rain, some locally heavy, throughout this period, interspersed with sunshine and showers.
